

# DEDICATED ROCK AUGERS

DIGGA'S dedicated rock augers boast a heavy duty construction, with high efficiency point of attack cutting heads to maximise your drilling performance. Fitted with a range of quality wear parts providing superior wear and performance.

## Features

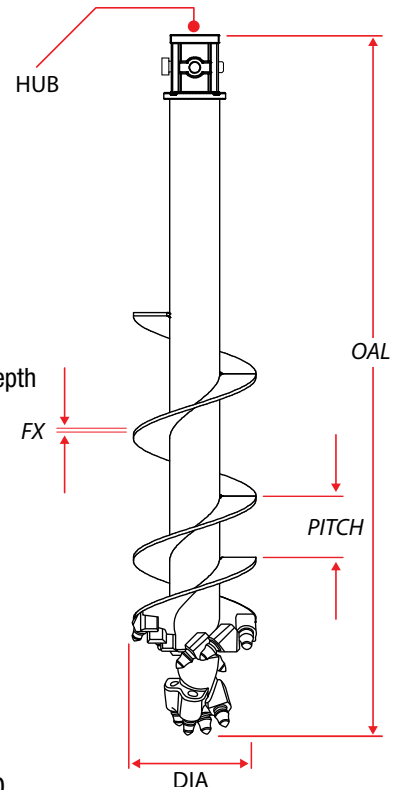

- Heavy duty lead flight
- Variety of hub options available
- Rotating pick teeth & pilot for ultimate drilling capability
- Teeth are available with both short or long retaining springs
- Heavy duty hollow bar with high grade steel
- Shallow pitch flights for optimum removal of spoil
- Full range of drive adaptors & extensions available to maximise drilling depth
- Hard-faced pockets and flight edge for longer life
